MEDICAL ISSUE

Dental

MEDICAL INFORMATION RECEIVED

Vessel was en route with final destination at the Quintero, Chile. Crew member complained of dental pain. Captain contacted SHIPMEDCARE for doctor's advice.

SHIPMEDCARE ACTION

Dental incident evaluated by SHIPMEDCARE First Line Doctors and considered not urgent. Medical treatment was recommended and dental visit at the next port was advised, due to high medical expenses at Quintero.

ACHIEVEMENTS

Medical case improved, Port medical examination avoided, expenses evaluation.

AVOIDED

Expensive port medical examination.
